# MESSAGE TO L'ACADIEN

The yearbook takes its place in the archives of Southwestern as another strong and graceful link in the history and development of this college. It will always serve as a happy reminder of golden days spent on this lovely campus. May it also serve as a momento of gracious and fruitful training in an atmosphere of friendly, intellectual pursuits.

Sincerely,

JOEL L. FLETCHER,

President.

COACH GEORGE "GEE" MITCHELL

S. L. I.'s first game was with Austin College in Sherman, Texas where they were ahead in everything but the score. On the ground as well as in total offense the Bulldogs were ahead. The first downs were even and the Bulldogs received less penalties than Austin.

On the offense Southwestern were terrors until they approached the goal line then they seemed unable to produce.

The next game that Southwestern played was against Alabama State Teacher's College in McNaspy Stadium. The score was 26-19 in favor of Southwestern. Supplying most of the offensive power of the Bulldogs were George Crowson, Wayne Kingery, Gerry Hodges, and Dave Fisher.

In the line A. D. Smith, Ray Boudreaux, Jack Best, Paul DiGovanni, Leland Landry and Lou Gaudet played a fine game.

Houston Cougars 21-7 they made a strong bid for recognition in the new Gulf State Conference.

It was the second victory for the Southwestern gridmen and they showed great improvement over the previous games. Sparking the first touchdown drive were Maurice Chappius, Gerry Hodges, Wayne Kingery, and George Crowson. Quarterback Val Dykes took the ball over from the one yard line and Kingery's conversion was good.

The Bulldog lead was increased early in the fourth

quarter when Lou Gaudet, sophomore end from Istrouma, took in a long pass from Kingery and scored. Left guard Paul DiGiovanni added the extra point.

Completing the Bulldog scoring, fancy stepping Dave Fisher, leading scorer in L.I.C. last year, maneuvered 22 yards through the Cougars and scored six more points. Kingery's conversion was good. Ray Hebert and Warren Douglas were outstanding in the line.

Red Jackets and Band went along and put on an excellent half time show for the crowd.

Despite some bad breaks they came off the field the victors by a score of 19-12. The Lions scored first, but the Bulldogs managed to bounce back in the early part of the second quarter to take a temporary lead. The Lions took it away in the closing seconds of the period. It was

not until the third quarter that the Bulldogs managed to move out in front to stay.

The Bulldog backfield, somewhat crippled through the injuries of the two top left half backs, really went to town when it had the ball. George Crowson and Dave Fisher carried a great deal of the responsibility for the success of the Bulldog drives. Frank Ferachi, Maurice

Chappuis, Wayne Kingery, Valdean Dykes, Buddy Marcello and O. S. Johnson kept the Bulldogs in the game. Kingery's punting kept the Lions well back during the second half.

The entire Bulldog line played good ball, probably the best it has played all season, during the second half when it held the Lions to a net yardage of minus 16 yards.

## Team !!

Ray Boudreaux, A. D. Smith, Hutch Henry, Moose Modicut, Ray Hebert, Paul DiGiovanni, Herman Zerinque, Bill Williams and the pass snagging duo of Lou Gaudet and Leland Landry played fine ball.

Statistically the game was not the Bulldogs best of the season though it ruined the Lions defense record when the Bulldogs gamered better than 100 yards by rushing.

The Bulldogs met their first Gulf States Conference defeat at the hands of the powerful Mississippi Southern College in Mobile. Though they were on the short end of a 26-6 score they were very much in the ball game all the way from the opening whistle to the closing gun. Only in the second quarter were their defenses caught napping. During that period the Southerners ran up a total of 20 points, thanks to a lapse on the part of the Bulldog defense and a pass interception. During the first, third, and fourth quarters the Bulldogs were definitely as good a team as the Southerners were.

## how we Beat Southeastern

In the matter of statistics there is little that can be given. The Bulldogs held an edge in the passing game, completing more passes than the Southerners. In addition to this they held the Southern passing game to practically nil in the ground gained department. In this respect the Bulldog defense has been greatly improved since they opened the season.

S.L.I. won their second Gulf States Conference game when they soundly trounced the Louisiana College Wildcats, 26-7 in a game played in Alexandria. The Bulldogs

opened their offense late in the first period when after a short drive, Jerry Hodges went from the 13 yard line. The extra point was no good. Shortly after the second quarter got under way Hodges went 26 yards through the entire Wildcat line for his second marker of the night. Paul DiGiovanni added the extra point to make the score 13-0 in the Bulldogs favor. It was not long before the Bulldogs had the ball and were barking at the Wildcat's back door again. This time Hodges passed to Dave Fisher, the Bulldogs speedster right half back and he

went all the way for the third score, the play netting 54 yards. DiGiovanni again added the extra point.

For the first time this year, or for that matter, probably in the history of S.L.I. football, Coach Mitchell put into use the two team system. During the first half the Bulldogs were practically unstoppable as they marched

all over the Wildcats, moving almost at will. The Bulldogs rolled up a total of 265.5 yards on the ground and 84 through the air.

A capacity Homecoming crowd was somewhat disappointed when the Bulldogs of La. Tech. downed a scrappy Southwestern eleven, 24-14 in McNaspy stadium.

Southwestern next played the Sam Houston State College Bearcats from Texas, which ended in a 12-12 tie.

The last home game for the Bulldogs was against the Pensacola Naval Air Station. The Navy ran up against a hard playing S.L.I. team and came out on the short end of a 27-6 score.

The Bulldogs scored in the first, second and twice in the third period to sink the Goslins. Left halfback Gerry Hodges and right halfback Dick Pate were the big guns in the Bulldog's running attack that grounded through the Pensacola line for a net of 266 yards and 13 first downs.

Southwestern scored early in the first quarter when right end Herman Zeringue recovered a Goslin fumble on the 24. Left halfback Gerry Hodges slipped off tackle for seven yards and then right halfback George Crowson plunged the last six yards to tally. In the fading minutes of the first half Hodges brought the crowd to its feet when he intercepted Pensacola quarterback Vernon Demois' aerial and scampered 60 yards for a touchdown. Kingery converted to give the Bulldogs a 13-0 lead at half time.

Southwestern drove 44 yards in the third period to tally, sparked by Pate.

Center Howard Fournet intercepted a Goslin aerial on the Pensacola 30 and stumbled to the 24. From that point Pate circled his own left end to score.

Pensacola's only score came late in the fourth quarter on a sustained drive.

The Bulldogs battled the Northwestern Demons to a stand still for three quarters in the last game of the season in Natchitoches, and then struck like lightning for three touchdowns in the fourth quarter to win 28-7. Northwestern got its touchdown in the first stanza when the Demons returned a punt to the Bulldog 7. Three plays later Bobby Johnson carried the ball over the goal. Midway in the second quarter the Bulldogs took over on their 34 and started a drive which ended in a score. Buddy Marcello, Wayne Kingery, George Crowson and Frank Ferachi

figured in the advancement of the ball. With the ball on the Demon 20, Marcello passed to end Lou Gaudet who went over standing up. Kingery converted.

The teams battled through a scoreless third quarter, and then on the first play of the fourth, Wayne Kingery, the Bulldog's great punting star, quick-kicked to the Demon 2 yard line. Northwestern then kicked out to their own 39 yard line. From there Gerry Hodges threw to Gaudet in the end zone for another touchdown. Kingery again added the point.

The Demons failed to gain after the kickoff and Southwestern took over on their opponents 24 where Hodges had returned a short punt. Then in quick order the Bulldogs had another score when Marcello faked a hand off to the left and ran around his left end for 13 yards and the third tally. Kingery converted.

After the kick off, the Demons were held fast and

kicked. The Bulldogs were also held and kicked to the Demon seven. From that point Demon's Johnson threw a pass which Hodges grabbed on the 25 yard line and raced for the final score. Kingery's kick was good.

The Bulldog forward wall played its greatest defensive game of the year when it held the hard running Demon attack six times inside their 20 and three times inside the 5 yard line. The entire line charged almost as a unit to smother the Demons before they could get started. Ray Boudreaux, Hutch Henry, Carlton Touchet, C. L. Wink and Bill Williams played great in the line.

# Basketball at Southwestern

The 1948-1949 edition of Coach "Dutch" Reinhardt's Bulldog basketball team chalked up one of the finest records made at home by any S.L.I. hoop team in recent years winning ten games and losing only one before the home fans. However a poor record on the road which saw them win only two games ruined the hoopster's chances of any post-season tournament.

As it was, if the courtmen had made one more basket at crucial times in each of three different games this year, the Bulldogs would have copped the conference title instead of winding up in third place in the nine team Gulf States league.

The outstanding victory of the season was the 48-44 win over Rice Institute. This was indeed quite a feat since in the final Associated press poll, Rice was voted the top team in the Southwest region totaling more votes (by 161 AP writers) than either Arkansas, Arizona and Baylor. Rice was also Southwestern conference co-champion.

This season also wound up the playing together of the Reinhardt-coached duo of Mort Elkind and Clyde Catha. For three seasons, this combination wreaked havoc with the opposition leading the Bulldogs to a 28-5 won-lost record at home and an overall winning percentage of almost .700. Elkind, leading Bulldog scorer this year, and who was selected as first string all-conference guard for the third consecutive year, graduates in June. Catha, who received honorable mention, first string, and second string all-hoop honors in his three years res., will play out his fourth year of eligibility in 1949-50.

Outstanding wins for the Bulldogs this year also included three decisions over pre-season GSC favorites

Loyola U. and a ten point upset win over a strong Centenary five.

Graduating with Elkind this year are two four year lettermen—Hoyt Clark and Lloyd Verret—and a McNeese transferee, Clarence Theriot who earned one letter here.

The season opened with a smashing 79-32 win over Pine Prairie as thirteen of the fifteen Bulldogs to play scored field goals. The Alabama State Teachers next came to town with a 6'11" center and a 6'7" forward but they couldn't keep up with the fast moving Reinhardtmen who ran away with a 46-30 win. Catha scored 14 and Verret 10. Then came the 48-44 upset win over Rice with Verret dropping in 14 points.

The Bulldogs took to the road and absorbed the first of their beatings. In New Orleans, the boys could not find the range and dropped one to Tulane. Back on more familiar grounds, the S.L.I.'ers, led by Mort Elkind's 22 points, whipped Southeastern, 62-46. They then lost a return game to Rice in Houston. It was in this game that Rice scored 10 baskets in 12 attempts during one eight minute stretch. The Bulldogs won their second straight conference

game by nipping Spring Hill, 45-41, after building up a 31-13 halftime lead. Mort Elkind was again high scorer with 14 markers, scoring eight of the Bulldog's fourteen second half tallies.

Then came the Camelia Bowl and Lloyd Verret's sensational exhibition of one-hand shooting. The eagle-eyed cager shot nine times in the first half and connected with seven. The Bulldogs downed Loyola 43-33 as Verret and Elkind accounted for 30 points between them. North Carolina defeated Arizona, 60-49, in the second game.

The Bulldogs lost two straight—44-50 to Centenary and 48-52 to Northwestern. Both games could have been won if the Bulldogs would have connected with just one more bucket in the last two minutes of either game. Coach Reinhardt revamped his starting line-up and the result was a overwhelming 70-27 win over Louisiana College. The next game saw the Red and White cagers present Coach Reinhardt with a 48-42 win over La. Tech. on "Reinhardt night".

A disastrous road trip saw Southeastern and Spring Hill avenge earlier season defeats by the Bulldogs. Elkind, who scored 22 points against the Lions the first time, accounted for 20 in a losing cause. The Bulldogs came up against the worst officiating of the year against

Spring Hill which allowed the Badgers to catch up and overtake the Southwesterners, 54-49.

The Bulldogs then won their first road game of the year downing a fighting La. College team, 53-40, with Elkind and Verret leading the way with 16 and 13 points, res. A 1-3-1 zone by La. Tech. cost the Bulldogs another game at Ruston as they failed to hit the bucket from the outside. Catha hit for 19 points from the corners.

Travelling to New Orleans on the first day of the second semester, the S.L.I.'ers played under the television cameras for the first time and drubbed Loyola, 45-35 with Billy Globig and Elkind scoring a dozen points apiece. Northwestern became the only team to defeat the Bulldogs twice as they ran up a 54-43 score in Natchitoches.

Cathe, Verret and Elkind scored 34 markers between them to lead the Red and White to a 48-38 win over Centenary knocking the Gents out of the league lead. Bill Globig turned in a top notch defensive game holding Joey Johnson of the Gents to three baskets. The "city slickers" from Loyola came up against the Red and White for a third time in the season's finale and for a third time tasted defeat. Elkind scored 16, Verret 11, and Catha 10 as the curtain rang down for the season with a 48-36 win.

For the first time in S.L.I. cage history, a Bulldog hoopster was named to the all-conference first team for a third consecutive season.

Mort Elkind, stellar Bulldog cager, wound up his colorful collegiate career this year by being selected first string guard on the all-Gulf States conference basketball team. Thus the New York born hoopster has garnered all-conference honors during each of his three years here at S.L.I.

Elkind also took top scholastic honors at graduation being one of seven in the graduating class of 627 to graduate "with highest distinction". He was awarded a graduate assistantship in Chemistry in the Louisiana State University Graduate School for his high scholastic rating.

Coach "Dutch" Reinhardt placed Elkind on his first team all-time all-Southwestern hoop team, and to prove that Coach Reinhardt made no mistake, we are printing the following excerpts from the sport sections of various local and state-wide newspapers.

Dec. 7, vs. Ala. State: "It was Mort Elkind that caught the spectators' eyes with his fancy ball handling."

Dec. 13, vs. Rice: "Mort Elkind dropped

back on [all-SWC 6'7" Bill Tom], too, tying him up every time."

Dec. 18, vs. Southeastern: "SLI's Elkind was easily the outstanding player of the evening both on offensive play and defense. With deadly accuracy from just beyond the foul circle, the little guard couldn't be stopped although the invading Lions had two men on him during the latter portion of the second half."

Dec. 22, vs. Spring Hill: "M.E., high man for the night with 14 points, scored 8 of the Bulldog's 14 second half tallies."

# AIR FORCE RESERVE OFFICERS TRAINING CORPS AT S. L. I.

Once again the Southwestern campus has assumed a military air. As during the days of the wartime Navy and Marine V-12 program, Southwestern has adapted itself to the needs of military education. The establishment of a unit of the Air Reserve Officers' Training Corps at Southwestern marks the beginning of a momentous phase in the history of this school.

The mission of the Air ROTC program is to supply

the United States Air Force with reserve officers who may be called upon in time of national emergency. The Southwestern Air ROTC unit is beginning its second semester with a corps of over 300 cadets, of whom a large number are veterans from every branch of the military service.

The complete Air ROTC course covers the usual four-year college period, divided into a two-year basic course and a two-year advanced course. The successful com-

pletion of the program leads to a reserve commission in the USAF.

Basic-course cadets attend Military Science classes two hours a week, advanced-course cadets four hours a week. The entire cadet corps spends one hour a week in close order drill.

The advanced course, restricted at present to sixty members, is currently composed solely of men with previous military experience. These advanced Air ROTC cadets receive subsistence pay of \$27 a month during the school year and \$75 a month while attending summer camp. This is in addition to the subsistence pay received under provisions of the "G. I. Bill."

Students in the basic course receive classroom instruction in subjects applicable to all services, such as military organization, map reading, first aid and infantry drill. Advance course classes deal with Air Force subjects, such as Air Force inspection systems, statistical control, transportation, supply, organization, meteorology, aeronautics and personnel management. Cadets receive regular college credits for these classes.

A draft exemption quota, issued from Washington, assures the Air ROTC cadets virtual immunity from their draft boards as long as the cadets' work satisfies the requirements of the Military Department.

Upon entering the advanced course, each cadet signs a two year contract with the government, obligating him to complete the four-year course and accept a reserve commission in the USAF.

The Military Department owes a great deal to President Joel L. Fletcher, Dean Joseph A. Riehl, other college authorities and the faculty. Their cooperation and interest in the new program since its debut in September has helped the Military Department shape the cadet corps into what is hoped will prove to be the outstanding Air Reserve Officers' Training Corps unit in the 12th Air Force.

A recent statement by President Fletcher points out his interest in this embryonic organization:

"Southwestern Louisiana Institute is very proud of the Air ROTC. The College Administration pledges its fullest cooperation to the development of this important phase of college life today.

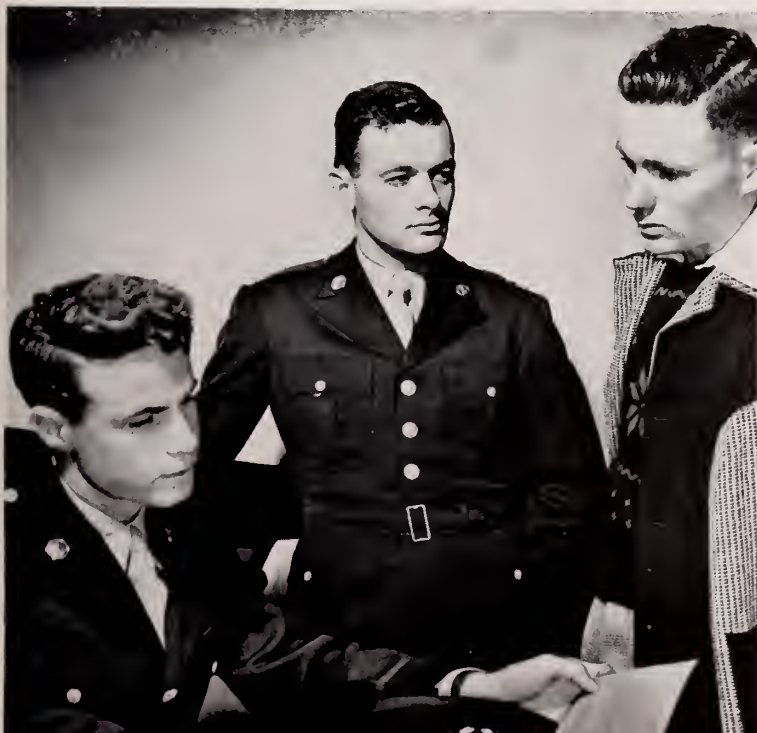

"The Air Force has assigned a fine group of officers to the unit. These men are doing a splendid work in training the students who are members of the Air ROTC.

CADET COL. J. A. BROUSSARD

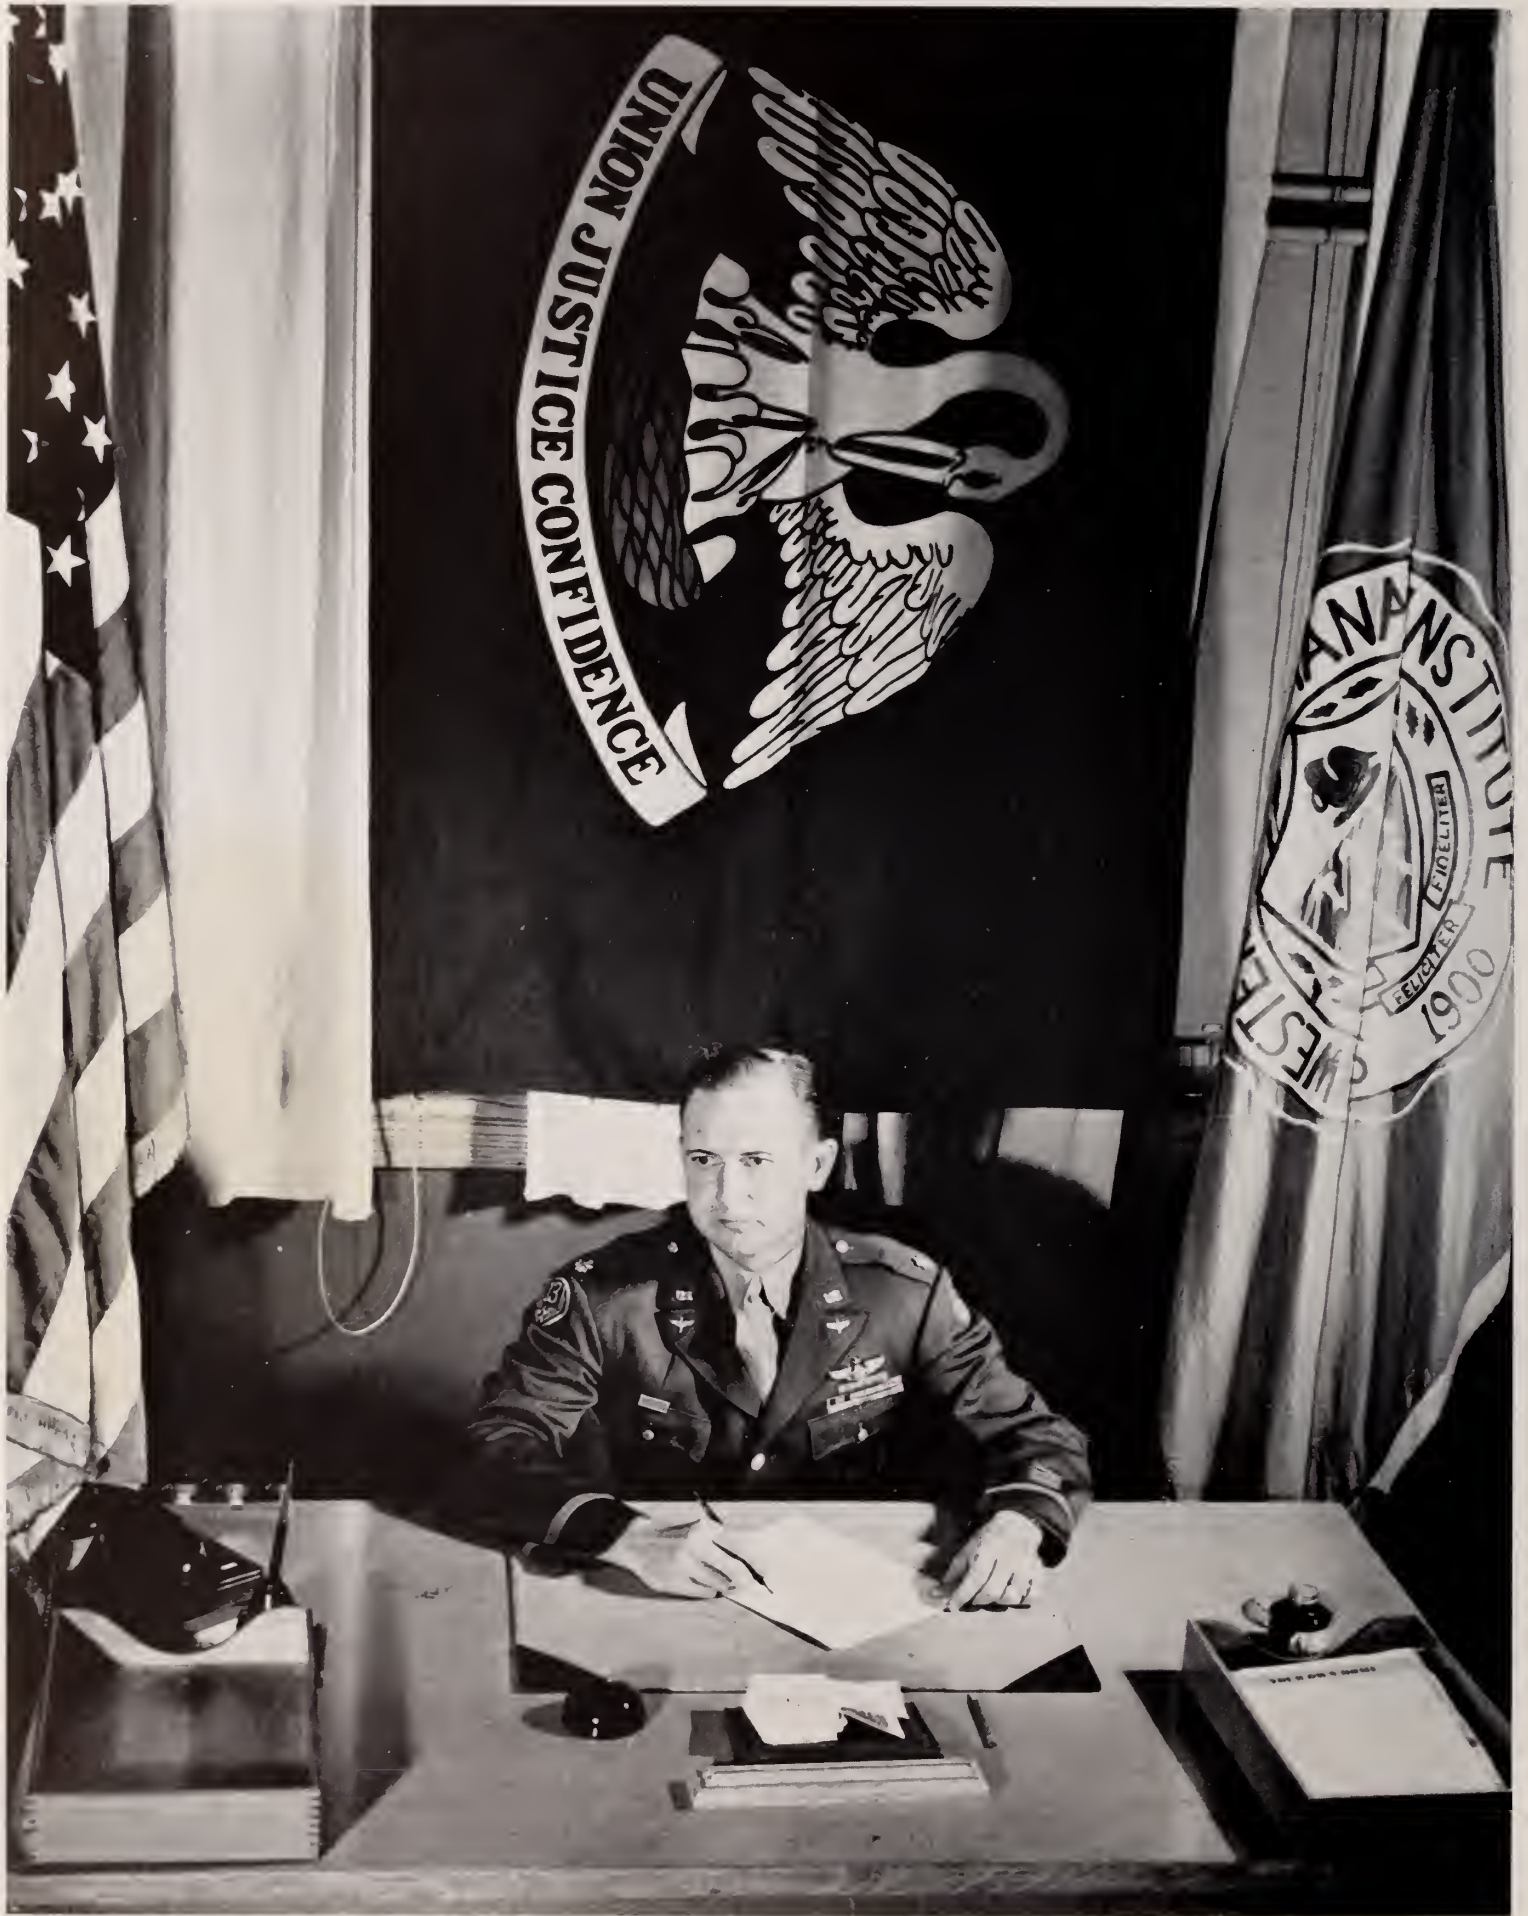

It is the mature conviction of the officials of Southwestern Louisiana Institute that every young man who enrolls at the college should give serious thought to entering this unit."

## L'Acadien Staff

MARY ANN CHANDLER, Editor

The L'Acadien is the official yearbook for Southwestern Louisiana Institute. It is published in order to present to the students a summary of the years work and play on the campus.

We have had much pleasure, as well as many headaches in getting this book ready for the press. We sincerely hope that you, the students and faculty, like the results we have achieved.

May this book remind you of a successful year on the Southwestern campus.

# Blue Key

RAYMOND ZAGONE  
President

Through the efforts of Mr. Herbert Hamilton, former student leader and present head of the Business Administration and Economics Department, Blue Key Fraternity came to the campus of Southwestern. Upon installation before a student assembly in the Spring of 1932, it commenced to fill the need for a men's honor and service organization at the college. From Mr. Hamilton's tenure as first president to the present, the organization has consistently tapped student leaders into membership and carried out various projects for the benefit of the school. The Student Directory published through the efforts of Blue Key members is, perhaps, the outstanding service contribution of the fraternity. Assisting the Alumni Association at Homecoming is another annual Blue Key function. But like other campus organizations, Blue Key has also had its times of trial. One man was the total membership at a point during World War II, but under the able direction of Dr. Kenneth B. Hait, faculty advisor, Blue Key has rejuvenated and has consolidated in a position high among organizations at Southwestern.

## In Grateful Acknowledgement—

This book would not be complete without a heartfelt thank you to everyone who helped with this book.

First of all Mr. De La Rue has been the one to whom we turn in every tense moment. We sincerely thank him for everything.

Miss Erath of the Business Administration Department and her typing classes have given much time typing for us and we are deeply grateful.

To the students and faculty go our thanks for cooperation and encouragement when we needed it.

We hope you like the results of our effort. We've had our bad moments, but it has been an unusual pleasure working on this book.

MARY ANN CHANDLER, Editor.
